

# May - 2008

## To all Members of the HH Emmaus Community

### Dearest Brothers & Sisters!

We pray that you are having wonderful "4<sup>th</sup> Days"!

This letter is to let you know that due to the high cost of postage, and, due to the really high amount of HH Community members (over 4000 now!) - we won't be sending out any more newsletters via USPS.

After this note - all newsletters and communication can be made through our web site:

[www.hemmaus.org](http://www.hemmaus.org)

We are aware that many of our members are not "web savvy" or simply don't have the technology. How can we all help?

- print and share newsletters with your friends and/or people you may have sponsored on walks
- print and post newsletters and events on your church bulletin boards
- ask fellow community members that you come in contact with if they have seen the latest news/events on the website.

We remain faithfully committed to:

- serving Him,
- serving You,
- and bringing others closer to our Lord, Jesus Christ.

Bill Hudson - Community Lay Director  
Barbara Harvey - Community Spiritual Director  
Members of the HH Emmaus Board

P.S. - If you are NOT currently receiving email communication from the HH Emmaus Community – please go to the web site and sign up your email address. You will receive the newsletters!
